*Prayer for Easter*

*Jesus, you have risen,  
so there is hope for me.  
You are no longer in the power  
of sin, of evil! Love has triumphed,  
mercy has been victorious!  
God's mercy always triumphs  
because God's love is stronger  
than evil and death itself.  
God's love can transform our lives.  
God's love can do this!  
Amen.*

EASTER 2019

*Christ indeed from death is risen, our new life obtaining.  
Have mercy, victor King, ever reigning! Amen. Alleluia.* – Sequence Victimae Paschali Laudes

Dear Brothers and Sisters in Christ,

Let us rejoice, for Christ has indeed risen from the dead! We rejoice not out of habit or routine, as if the celebration of Easter was irrelevant to our lives today. No, we rejoice each year on this sacred feast because we recognize just how much our lives have been changed by the resurrection.

When Jesus rose from the dead 2,000 years ago, he conquered more than his own death. That moment also conquered the daily deaths we experience of sin, suffering or trial. We experience his resurrection through receiving the sacraments and participating in the life of the Church. This changes our daily lives. Christ's resurrection becomes an ever-present moment in our lives, as we experience forgiveness, triumph over vice with virtue, strive for peace and justice, and ardently love one another. At Easter, we celebrate the moment that continues to transform and enliven all the moments of our lives today.

This Easter, I pray that all of us, together, can more fully receive the gift of Christ's life. I pray that His resurrection becomes the rejuvenating life of our great archdiocese and the cause of our joy. May God bless you and your families with his amazing grace.

Sincerely yours in Christ,

**Most Reverend Jerome E. Listecki**  
Archbishop of Milwaukee

Spend 15 minutes every day in prayer with Scripture!

- Do I believe that Jesus has sent me out into the world, with a special mission that only I can accomplish? The Lord is still anointing people today. What is he asking me to do? How can I become closer to Jesus, in a real relationship of love and friendship, and listen to what he has to tell me?
- Jesus did many other signs and wonders when he returned to the disciples, but only so many are recorded that we may believe and have life in Christ. Have these stories become stale to me? Why or why not? How can I allow the Scriptures to breathe new life into me?

## News & Events at St. Charles Parish School

### 2019 Science Fair

Our St. Charles Parish School students did it again. They knocked it out of the park with their Science Fair Projects which were recently on display in the Borrromeo Room.

The Science Fair is a signature event for St. Charles. Dozens of hours are spent researching topics, planning procedures, conducting experiments, analyzing results and writing reports. Our 6th Graders primarily focus on consumer science, our 7th Graders on biology and chemistry and our 8th Graders on physics.

And the focus on science is only part of the project. These student scientists must also be able to present to judges, many whose livelihoods are in science or medicine. Students must know their project inside and out and also speak about it with authority and confidence.

Great job middle schoolers!

## ENROLLMENT FOR THE 2019-20 SCHOOL YEAR

Enrollment for the 2019-20 Academic Year at St. Charles Parish School is open and there is space available in every grade including our 3K & 4K classrooms. Many of our grades will have two classes per grade so class sizes are small.

Tours and shadow days are available everyday so schedule time to visit our school known for high academic standards in faith-filled classrooms.

Please call the School Office at 262-367-2040 for a tour or shadow day. Also, the School Office is open throughout the summer to answer questions and enroll students.
