Spend 15 minutes every day in prayer with Scripture!

*"The Spirit of the Lord is upon me, because he has anointed me to bring glad tidings to the poor... and to proclaim a year acceptable to the Lord."
- Lk 4:18a, 19*

- The first reading from Nehemiah reminds us of the holiness and the joyfulness of Sunday, the Lord's day. As we enter into Ordinary Time, how can I keep Sunday holy? What intentions can I bring to celebrate each Sunday as a feast?
- We are all baptized into Christ, and given different gifts for the health of the body and the world. It is far easier to receive a gift from someone we have a strong relationship with. Do I know what my spiritual gifts are? How can I grow closer to Jesus this week, so that they may be revealed?

Everyday Stewardship

There are close to 7.6 billion people currently on earth. That is a lot of people! If you try to estimate how many people have collectively been born since the beginning of time, a good guess is 108 billion! It is hard to contemplate that many distinctly different human beings created by our God. In the midst of all those people, where do you and I fit? Can we really be created to make a difference in the world? One can feel very small and insignificant when reflecting on the numbers.

We render ourselves insignificant when we make the mistake of seeing ourselves as being just like everybody else. However, when looking at the numbers, how can one honestly think we are all the same? Another way we become insignificant is believing the lie that one person in the midst of so many does not have the power to make an impact. However, we all spend time reading books, watching movies, or listening to news about singular people who made all the difference in some part of the world. Imagine your own world without a few key people who have touched you and made a difference.

We are all created with unique gifts. We have those gifts that have been part of us from birth and those that have been imparted to us by the Holy Spirit. St. Paul tried to get the Corinthians to understand that reality when he explained to them the many gifts of the Spirit. Perhaps some of his audience back then thought they were insignificant. The message then remains the message today: God is counting on you to use what He has given you. If you don't, who will?
