Spend 15 minutes every day in prayer with Scripture!

- This week we read that ‘the people who walked in darkness have seen a great light.’ Do I carry the joy of Christmas through Ordinary Time? How can I show Christ to those I encounter?
- How is God calling me to be a better disciple? Do I immediately follow, or hold back from Jesus and the commandments? What do I stop short of giving up?

Annual Archdiocesan Respect for Life Mass
Wednesday, January 22, 2020
 hosted by St. Charles Parish

The night will begin with a 6:30 pm Rosary followed with Mass at 7:00 pm. The evening will conclude with a reception in the Borromeo Room.

There will be a collection taken during Mass to support the Urban Ministry/Catholic Charities pregnancy support center at North Division HS in Milwaukee.

What a beautiful way to pray for Life!

Congratulations to our parish 2nd graders who have recently received the Lord's mercy and forgiveness in the Sacrament of Reconciliation for the first time..

These children will be introduced to the parish community in the Blessing of First Communicants (also known as the Bread Ceremony) during the 5 pm, 9 am and 11 am Masses on the weekend of January 25-26. During these Masses, the children will receive a blessing as a formal beginning to their preparation for the Sacrament.

The children will bring a loaf of bread to be blessed and given to people in the assembly, who then become the children's prayer partners. As the children learn what it means to participate fully in the celebration of the Eucharist, they will be supported by the prayers, good example, and written messages of encouragement from their prayer partners. Please graciously and prayerful accept this special gift if you are chosen by one of the children.

Our food pantry helps feed Hartland residents who are living on limited incomes. Yes, there are poor in Hartland; families who are one pay check from disaster. Use of the pantry relieves some of their financial burdens. Will you help them? Have you donated food or hygiene items to our pantry? Have you given charitably from your income to help St. Vincent de Paul members offer assistance to your neighbors who are facing financial hardships?

We invite you to bring an item weekly for the pantry when you attend Sunday Mass. All donations may be placed in the SE corner of the church narthex any time the church is open. If you prefer to help financially, envelopes are located at the SVdP collection boxes in the narthex and next to the hall sign-up shelf. Thank you, for helping us help others.

FOOD PANTRY NEEDS: juice, pancake mix, rice and pasta sides, canned chicken breast, cooking oil, liquid dish soap, paper towel and Kleenex.

This first film has been screened more than 8,000 times in over 70 countries and has been featured on Good Morning America, PBS NewsHour, and Today Show as well as in the Washington Post and New York Times.

Screenagers: Next Chapter
Sunday, March 1 at 7 pm

This film is Dr. Ruston's second film and follows her as she finds herself at a loss on how to help her own teens as they struggle with their emotional wellbeing. Ruston sets out to understand these challenges in our current screen-filled society, and how we, as parents and educators, can empower teens to overcome mental health challenges and build emotional agility, communication savvy, and stress resilience. This film examines the science behind teens' emotional challenges, the interplay of social media, and most importantly, what can be done in our schools and homes to help them build crucial skills to navigate stress, anxiety, and depression in our digital age.

Both films convey different approaches in schools who provide strategies relevant beyond classroom settings and provide insights from brain researchers, psychologists, and thought leaders that reveal evidence-based ways to support mental wellness among our youth. The impact of social media and other screens is a central focus, particularly about how it impacts teens' mental health and what we can do to help foster youth in the face of struggles.

This is a FREE event! Recommended for parents and children 10 years and older!

Lake Country Bread of Life Community Meals at St. Charles

St. Charles Parish is the home for the Lake Country Bread of Life Community Meal. What began as a meal for the needy in our area has turned into a host program that includes seniors and others in need of a good meal and friendship. If you or someone you know could use some fellowship and a good healthy meal, please invite them to join us **Thursday, Jan. 23rd at 5:30pm in the Borromeo Room**. Meals are prepared on the 4th Thursday of every month and the 3rd Thursday in November & December by area churches and organizations and served at St. Charles. We also offer blood pressure readings before the meal.

A Conversation about Trafficking in our Community

January 29, 2020 | 6:30–8:00 PM
St. Dominic Catholic Parish—Marcy Center
18255 W. Capitol Drive. | Brookfield

The Greater Milwaukee area has been tagged repeatedly by the FBI as among the top cities for human trafficking in the nation.

Yet, we still tend to believe it doesn't happen here.

This state of denial leaves our children and families open to victimization. Learn how youth and adults are being coerced into trafficking, why they can't see their way out, how social media plays a big role in the luring, grooming and grand scheme of trafficking, and how we can keep our families safe. Bring your questions. There will be a question and answer period following the presentations.

GUEST SPEAKER

Nancy Yarbrough

A trafficking survivor, Social Justice Activist, Victim Advocate, and Founder/ Executive Director of Fresh Start Learning Inc. Nancy has over 25 years of experience in the areas of human trafficking prevention, awareness and professional development.

GUEST SPEAKER

Lt. Dawn Jones

Dawn is a retired lieutenant from the Milwaukee Police Department. During her 25 year tenure she spent over 10 years conducting presentations and investigations related to human trafficking and trafficking of children. Dawn supports a victim-centered approach and promotes collaborative efforts between advocates and law enforcement to identify and assist victims as well as hold the offenders accountable.
