PAUL PRAHL PASTORAL COUNCIL TRUSTEE-TREASURER

Paul Prahl has been reinstated as Parish Trustee-Treasurer for the term of July 1, 2021 through June 30th, 2023. No additional nominations were received by the Wednesday, July 21, 2021 deadline, and no election will be required. We thank Paul for continuing in this important parish position and appreciate his continued knowledgeable insight on the Parish Pastoral and Finance Councils.

To trust God in the light is nothing, but trust him in the dark - that is faith.

THIS WEEKEND'S GOSPEL MEDITATION
EIGHTEENTH SUNDAY IN ORDINARY TIME

“You cannot see the forest for the trees” is a widely-known saying that can bring wisdom to our understanding of our journey. Often, our sight becomes limited to what is immediately before us. We lose touch with lessons and experiences from the past and promises and hope for the future. As human beings, we have the privilege of being able to choose things. What I like and don't like, want, and don't want can be major preoccupations of our minds and hearts. Our preferences and desires begin to define us more than the simple fact of our being. Who we are matters more than what we are or what we have. If we don't move beyond the external and superficial stuff to what really is of essence, we risk becoming very unsettled, disorientated, angry, and unhappy. We fail to see the bigger picture of hope and promise that lies ahead and the Divine Presence that has sustained and carried us before.

We like it when the “now” time of our lives satisfies us. Even the people who witnessed Jesus feed the five thousand got confused and distracted. It felt good when thousands of people were able to eat. They wanted to know what they could do to get this to happen again! But Jesus quickly reminds them that this is not the point of this sign. As much as the now time of our lives is of concern, it is not what is ultimately important. We need to learn the difference between being and doing, drawing more strength from who we are and who God is rather than what is happening around us and the choices we can make. Jesus is the true bread that came down from heaven. Jesus is the very incarnate presence of God who sustains life and assures us that we will not perish. This is not easy to understand and feel. We have to practice being in the presence of ourselves, others, creation, and God. We are brought to a holy place when we encounter the sacredness of being. This is real prayer.

Then, we learn to trust. It is when we cease trusting that we start to become afraid, uncertain, apprehensive, doubtful, and overly self-concerned. We even start to grumble. God has our back. That is the essential powerful message of the living bread come down from heaven. God, who is alpha, is also omega, the beginning and the end, and has everything in between in his care, as well. A woman once remarked that her most powerful God moment happened when she and her husband cuddled with their new baby for a time. Without exchanging words and using only the affection communicated through sight and touch, they rested in being with each other. This brought them to the sacred, where they realized that a greater Being was with them. It was real. They knew that they were part of something bigger, intimate, and profound. When we rest in the Living Source of life, we will find that our souls are no longer hungry or thirsty. ©LPi

15 minutes each day spent in God's presence – reading, reflecting, responding and resting with his Word – adds up to 90 hours in one year. That is time well spent and a testimony to how a little at a time turns into something remarkable!

Reflection questions for Sunday, August 8th

- The prophet Elijah was exhausted and literally prayed for death. The Lord answered his prayer by sending Elijah food and drink for strength. How do you encourage others in your life who are spiritually drained?
- Paul held Christian communities to very high standards of conduct. How well do you think your faith community holds to these standards today?
- We hear today John's account of Jesus' rejection by his own people. The Jews struggled to think of Jesus as “the living bread that came down from heaven.” What are some of Jesus' words that challenge you or cause you to struggle?
