THIS WEEKEND'S GOSPEL MEDITATION

22ND SUNDAY IN ORDINARY TIME

Albert Einstein said that the “true measure of intelligence is not knowledge but imagination.” Being a disciple of Jesus Christ requires a great deal of imagination. It is not enough to simply attend to facts, rules and rituals and consider the job done. Quite contrarily, the Gospels demands creativity, of trying to discern how to put flesh on the Beatitudes and properly serve God’s children. Jesus never doled out a top down agenda. Not once did he ever demand conformity over conversion or sacrifice over mercy. The Gospel is always about putting people in touch with their compassionate, forgiving, and unconditionally loving God and meeting them where they are.

For Jesus, it often meant breaking a few rules. Well respected and time-honored traditions had to be set aside in order to attend to what really mattered. God’s compassion, mercy and true conversion were always the trump cards. The story of the Good Samaritan, healing on the Sabbath, and bypassing of purification rituals all display this theme. Human beings can get too hung up on protocol and tradition. This is so much so that often preserving all of these things is of greater concern than the beggar knocking on our door or the sinner looking for mercy. It is no wonder, then, that we can easily become hypocritical. Many can see us on our knees in prayer while our true heart and actions, rooted in judgment and self-preservation, are hidden from others. It is a trap into which we can easily fall. Who cares how we live our lives as long as our hands are properly washed!

Here enters the need for imagination and the distinction of truly being a wise and intelligent person. It takes a good measure of creativity and a lot of guts to really be a doer of God’s word and not merely a hearer. Being a person who doesn’t just tell people about God but shows people God requires courage and ingenuity. That’s why people like St. Francis of Assisi and St. Teresa of Calcutta are timeless. Their genuineness speaks volumes generation to generation. It’s risky business taking the step to allow God into our hearts. Permitting God to release us from the grip of our evil thoughts, infidelity, greed, malice, sexual improprieties, licentiousness, envy, arrogance, folly, and the like takes courage. That’s why we prefer to spend our energy rearranging the future rather than take measures to secure a foundation that is most certainly crumbling. ©LP

15 minutes each day spent in God’s presence – reading, reflecting, responding and resting with his Word – adds up to 90 hours in one year. That is time well spent and a testimony to how a little at a time turns into something remarkable!

Reflection questions for Sunday, September 5th

- The prophet Isaiah spoke of the importance of being strong of heart when it comes to the ways of God. Why do you think this is such an important virtue?
- James encouraged believers to view the rich and poor from God’s perspective. Why do you think people struggle with this divine point of view?
- In today’s reading, we hear how Jesus healed the deaf man with a speech impediment at the request of the “people” close to this man. Who do you know in your life who needs healing from Jesus?

EVERYDAY STEWARDSHIP RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

GIVE IT ALL BACK

Pop culture has given us a unique idea of the term justice. Justice, we often think, is about taking. Taking what's owed. Taking revenge. Taking what we deserve. This worldview tends to make mincemeat of our Catholic social teachings. Seeking the good of the poor, a call to community and participation, solidarity — on the face of it, in a society where everything must be earned and we are encouraged to hoard for ourselves whatever success we can achieve, these principles look a lot like highway robbery.

But when you remember the presence of an omnipotent, all-loving and all-merciful God, it turns our gunslinging sense of justice on its head. For how does justice inhabit the same universe as a God who is so quick to give and indeed to forgive?

Well, very easily, when we remember Who exactly is the source of every good and perfect thing in this world. There is no law that cannot be traced back to the Word. And the Word saves our souls.

Is that justice? No, that is a gift. It is the reckless, indulgent gift of a father whose love is greater than His anger. What is justice in the Biblical sense?

The answer is simple. Look at your life. See the hours in your day? See your spouse, your kids, your grandkids? See the house you live in, the money in your wallet, the food in your fridge, the breath in your lungs?

Calling it all your own, refusing to share any of it — that's robbery. Giving it all back to the One who gave it to you — that's justice.

PRAYER FOR THE MINISTRY OF GOD'S WORD

Thank you Father for making yourself known to us, showing us the way of salvation through faith in your Son. We ask you now to teach us through your word, so that we may be ready to serve you, for the glory of our Lord Jesus Christ.

Amen.

LIVE THE LITURGY INSPIRATION FOR THE WEEK

What makes a person wise and intelligent? Certainly it is not the ability to memorize facts or minute details about a situation. What makes a person wise and intelligent is when their words and actions harmoniously unite and produce virtue. A person can know many facts and even do the right actions but still have a grave flaw in their character. We sometimes want to delude ourselves into thinking that as long as we are “doing” everything correctly, we are automatically in right relationship with all. Such is sadly not the case in the kingdom of God. We are called not to be just hearers of the Word but doers as well. That means getting to the heart of what laws and rituals are meant to signify and nurture. If we do not bring the actions home, where they belong, and allow them to speak of the goodness, mercy, compassion, and love of God, then they are simply empty worthless gestures. Welcome the Word that has been planted within you so that you can be a truly wise and intelligent disciple of Jesus Christ. ©LPi

A NEW SCHOOL YEAR PRAYER

God of wisdom and might,
we praise you for the wonder of our being,
for mind, body and spirit.
Be with our children as they begin
a new school year.
Bless them and their teachers and staff.
Give the strength and grace as their bodies grow;
wisdom and knowledge to their minds
as they search for understanding;
and peace and zeal to their hearts.
We ask this through Jesus Christ our Lord.
Amen.

BEYOND THE FRONT PORCH

DISCIPLESHIP

Comitted To Growing Disciples

MEET DIANNE BINGER, ART & STEM TEACHER

St. Charles Parish School has been blessed to have Mrs. Binger here for over thirty years! Prior to officially joining our school as a teacher in 1988, she volunteered as an art teacher for 1st-4th Graders. Soon after, the 5th Grade teacher position opened up, and she jumped on the chance to officially teach at the school her daughter attended. *"I loved teaching 5th Grade for the content of the curriculum,"* Dianne says. *"And I had the opportunity to be my daughter's 5th Grade teacher."*

Dianne then went on to teach 1st Grade before becoming our Art and STEM Teacher. She teaches Art to our 5K-8th Grade students and STEM to our 1st-5th Graders. *"Being an Art teacher is different from being a classroom teacher because I believe I can't be too regimented or I will stunt creativity,"* Dianne says. *"Expanding creativity and imagination are my goals for both Art and STEM."*

One of the things Mrs. Binger appreciates most about our school is our tight-knit community. *"St. Charles is a family-oriented school,"* she says. *"We get to know not just our students but also their families. It feels like a family."*

Dianne is excited to kick off this school year and welcome all of our students! *"I am praying for a healthy, safe school year for everyone,"* Dianne says. *I am looking forward to seeing my students use their creative energies and seeing them grow in their faith with Jesus."*

Outside of teaching, Mrs. Binger also enjoys gardening, making jewelry, drawing and painting, traveling, going on long walks, and spending time with both her family and her dog Rosalea.

MEET ANN HANAWAY, 4TH GRADE TEACHER

Although it wasn't her first career choice, Ann Hanaway's heart led her in the direction of teaching. After becoming a mother, Ann decided to pursue teaching and has been at St. Charles since the 1995-1996 school year. *"I wanted to be the kind of teacher that cares for students the way I'd want my own children cared for,"* she says. *"I love the variety of people you come in contact with and the daily discoveries all combined, which make teaching a remarkable adventure."*

Similar to Mrs. Binger, Mrs. Hanaway has worn several hats at St. Charles. She initially taught technology after seeing the position

posted in our weekly bulletin. *"I started in a small basement classroom teaching a computer class with 15 Apple II e computers,"* Ann says. *"Keyboarding with the dreaded orange keyboard covers was a challenge for some students."*

Throughout her time teaching, technology has evolved considerably in the classroom. *"When I started teaching, computer class was a separate part-time entity, and now technology is incorporated throughout the curriculum and used to support teaching and learning,"* she says.

Ann has thoroughly enjoyed teaching and being a part of our community for the last twenty-five years. *"Teaching is a job that keeps me young,"* she says. *"Being surrounded by young people in the energetic environment of a school is a great way to keep my outlook youthful, and there is tremendous satisfaction in watching a child discover new learning and growing in their faith."*

Besides teaching, Ann enjoys working in her yard, shopping with her daughters, going to movies, reading, staying active, and spending time with friends and family.

Please join us in welcoming and thanking all our teachers this year, especially both Diane Binger and Ann Hanaway for their many years of service and dedication to St. Charles Parish and School!

**MEMORIAL SERVICE FOR ABORTED CHILDREN
AT HOLY CROSS CEMETERY, MILWAUKEE**

On Saturday, September 18, pro-life Americans throughout the country will gather at the gravesites of aborted babies and other memorial sites dedicated in their honor for the ninth annual National Day of Remembrance for Aborted Children. Solemn vigils will be held at these sites to commemorate the more than 60 million children who have lost their lives to legal abortion since 1973 and to remind our society of the humanity of the preborn child. Please join us for the memorial service in our community:

Event: National Day of Remembrance for Aborted Children
When: Saturday, September 18, 11:00 AM
Where: Holy Cross Cemetery in Milwaukee
(Block 17, Section F, 7301 West Nash St. Milwaukee, WI, 53216)
More Info: Contact info@ProLifeWI.org or call 262.796.1111

**BOYS ARE WELCOME TO
JOIN CUB SCOUTS**

Cub Scout Pack 24 is based out of St. Charles for boys in 5K - 5th grade. Pack 24's focus is to help boys grow into young men through growth in virtue and leadership in a safe and fun environment. We are an active pack with a variety of activities offered throughout the year (you can find more on our website at www.troopwebhostcs.org/Pack24HARTLAND/Index.htm).

We will have an informational table at the school Meet and Greet on 8/30. We will also have a recruiting event at Nixon Park on 9/2 from 6-7pm. The recruiting event will include a fun air rocket activity for the boys as well as some information and Q&A for the parents. Please join us for one of these events if your son is interested in scouting or contact us with any questions. **If you plan to join us at the recruiting event on 9/2, please RSVP to Cubmaster Jacob Mrugacz (jacobmrugacz@gmail.com or cell 262-354-5627) so that we can plan for supplies/etc.**
